

The 2024 PPQG Quilt Challenge

Our April 2024 challenge is based on your initials (Not your name).

You will be designing a quilt incorporating your initials in the design.

There are three design categories.

1. Quilt design or decorative stitch or embellishment
2. Technique or block name
3. Color or fabric motif

Use one initial for each category. Be creative!

Here are examples:

Barbara Ellen Noble

Angelia Marrie Townsend

B could be a butterfly

A could be an animal print (fabric motif)

E could be ecru (color)

M could be meandering (quilt design)

N could be a nine patch (block name)

T could be Tall Ships (block name)

If you need help thinking of ideas, Quilters Cache has an alphabetical list of block names, and color-ize.com and Wikipedia both have alphabetized lists of color names.

Quilts can be anything from miniature to lap-size. Cost to participate is the \$5.00 entry fee. Enter as many times as you wish. The Top five entries will receive cash prizes. So start working on those ideas!

Cut at the line and add your initial and what it stands for under the category. Pin this to the bottom front of your quilt entry.
